

VICTOR ERIC PATTIRADJAWANE

Email : pattiradjawanevictor@gmail.com | Web : <https://victoreric.my.id/>

Place, date of birth : Ambon, September 29, 1982

Gender : Male

Contact number : +62 81 343 199719

Education

- 2019 – 2021 : S-2 Informatics and Computer Engineering at Tomsk state university of control systems and radioelectronics – Tomsk, Russia
- 2000 – 2005 : S-1 Informatics and Computer Engineering at the University of August 17, 1945 – Surabaya, Indonesia.

Publication and Presentations

Conference Papers & Journal Article

“Сравнение систем нечеткого вывода Мамдани, Сугено и Цукamoto в поддержке принятия решений для определения выдающихся сотрудников” (Eng: “Comparison of the Fuzzy output systems of Mamdani, Sugeno and Tsukamoto in support of decision-making to determine outstanding employees), Pattiradjawane V.E. [Scientific initiative of foreign students and graduate students, Collection of reports of the I International Scientific and Practical Conference. Volume 1. pages. 231-237. Tomsk, 2021](#)

“Электронное обучение русскому языку как иностранному” (Eng : “Online learning system of russian language for foreign student”), Pattiradjawane V.E. [Scientific initiative of foreign students and graduate students of Russian universities, Collection of reports of the X All-Russian Scientific and Practical Conference. Pages. 441-445. Tomsk, 2020](#)

“Информационная система отдела кадров университета паттимуры, амбон-индонезия” (Eng : “Information System of Human Resources department at Pattimura University, Ambon-Indonesia”), V.E. Pattiradjawane. [Conference Prospects for the development of fundamental sciences, Pages. 96-98, Tomsk, April 21–24, 2020](#)

“Penerapan konsep data mining dengan Metode Seasonal ARIMA dalam Peramalan Produksi Padi” Jefri Esna Thomas Radjabaycolle, Devi Valentino Waas, Victor Eric Pattiradjawane, Emanuella MC Wattimena, Doms Upuy. [Jurnal Rekayasa Teknologi Informasi \(JURTI\) Vol.8 Issue 1, Pages. 93-102, 2024](#)

Research Interests

Computer network, Cyber security and critical infrastructure, Software engineering.

Work Experience

- Sept 2023 – Now : Lecture in the Computer Science department at Pattimura University – Ambon, Maluku, Indonesia.
- Des 2010 – Sept 2023 : Administrative Officer at Pattimura University – Ambon, Maluku.
- Des 2008 – Oct. 2010 : Engineering on site PT. Telecommunications Indonesia, Nusa Tenggara Timur area – Kupang, NTT.
- Oct. 2007 – Nov 2008 : Engineer on site PT. Telecommunications Indonesia, Maluku area – Ambon, Maluku.
- Jan – Sept 2007 : IT Support at the Roads and Bridges Building Center IX. Maluku and North Maluku – Ambon, Maluku.
- Feb – Des 2006 : Programmer at PT. Srithai Maspion Ind. – Sidoarjo, Jawa Timur.

Technical Skill:

- Have experience in project management, computer networks and software engineering.
- Installation and administration of Linux servers and cloud computing
- System administrator and computer network management
- Programming Technologies: HTML / CSS, javascript, PHP, Python, SQL
- Git / GitHub
- Microsoft Office, openOffice, Photoshop.

Other capabilities:

- Able to speak English and Russian.
- Able to work as a team or individually.
- Able to adapt quickly to changes.
- Confident and likes to deal with challenges at work.

Training

- February 2021 : Cloud Computing on Alibaba Cloud.
- February 2021 : Virtual ITCAMP on Linksys and PANDI.
- November 2016 : Effective leadership at Mandiri Consultant.
- June 2013 : MTCRE - Mikrotik Certified Routing Engineering at IDNetworkers.
- December 2011 : Programming and database in the Bug Training Center.
- January 2010 : MTCNA - Mikrotik Certified Network Associate at Citraweb nusa infomedia.
- November 2009 : CCNA - Cisco Certified Network Administration Fundamentals in the Multiple Solutions Academy.
- November 2005 : Training in computer networks at L2 KP Mandiri.

Project:

- September 2024 : Designed and construction of the Application for submitting research and services paper in the Pattimura University Ambon, using PHP MySql.
- June 2022 : Designed and construction of the application supporting system administration for the Faculty of Engineering, Pattimura University Ambon, using PHP MySql.

- March 2018 : Designed and construction of the human resource information system for the Faculty of Engineering, Pattimura University Ambon, using PHP MySql.
- June 2017 : Designed and build a local area network, wired and wireless internet in the Kopertis IX Maluku and the Papua region in Ambon - Maluku.
- August 2015 : Designed and build a local area network, wired and wireless internet in the Ambon State Polytechnic – Maluku
- September 2009 : Designed and build a local area network, wired and wireless Internet in the PT. Angkasa Pura II El Tari Kupang-East Nusa Tenggara Airport.
- December 2008 : Participates with the team in the acquisition project of Bank SulTeng for the server installation and the core banking network in Palu - Central Sulawesi.
- June 2008 : Designed and construction of a local area network wired and wireless internet at Pattimura University in Ambon, Maluku.
